To protect you, we've required your Franchisor to give you information. **We haven't checked it, and don't know if it's correct.** It should help you in making up your mind. Study it carefully. While it includes some information about your contract, don't rely on it alone to understand your contract. Read all of your contract carefully. Buying a franchise is a complicated investment. Take your time to decide. If possible, show your contract and this information to an advisor, like a lawyer or an accountant. If you find anything you think may be wrong or anything important that's been left out, you should let us know about it. It may be against the law.

There may also be laws on franchising in your state. Ask your state agencies about them.
